

BIKE WASH

Complete Motorcycle Cleaner

FEATURES

- VOC compliant. BIKE WASH contains no caustic soda, acids or bleach.
- Safe for paint, chrome and plastics.
- Easy rinse formula, no spotting.
- Foams away grime, oil, grease, and brake dust.
- Strong enough to degrease engines and wheels.
- Biodegradable, pH controlled.

DESCRIPTION

WIZARDS® BIKE WASH For Motorcycles is a powerful, foaming spray wash that will safely float away road grime, oil, grease, brake dust and general contaminants. It is specifically formulated for the tough grease and grime associated with motorcycles.

BIKE WASH is easy to use and works quickly. Just spray on and rinse off.

WIZARDS® BIKE WASH is biodegradable and pH controlled; it contains no caustic soda, acids or bleach and is VOC compliant.

BENEFITS

BIKE WASH is a complete motorcycle formula that will clean and degrease all of the bike's surfaces including paint, plastic, rubber, chrome and aluminum without spotting.

HOW TO USE

Always apply BIKE WASH to a cool surface, keeping the bike away from sunlight. If bike is not cool to the touch, cool surfaces with cold water before application. Refer to owner's manual for areas not suitable for water cleaning.

Spray BIKE WASH over the entire surface. Tough grime may require wiping with a sponge. Rinse immediately before surface dries, using a high pressure nozzle to provide a forceful jet of water. Continue rinsing to remove all suds. If surfaces feel slippery, continue rinsing.

Dry surfaces with a #11420 MULTI-FIBER™ CLOTH or a #11066 WATER BANDIT™ to avoid water spots when soft water is not available.

HINT: Use #11033 SHINE MASTER™ polish, #22500 SUPREME SEAL™ Paint Sealant and #22214 MIST-N-SHINE® Detailer for a great gloss and slick feel.
